Special Vendor Offers for their brides on chair cover and linen packages

Free installation on all rentals!

We Deliver, Install and Pick up all rentals.

This is an exclusive offer for Wedding Service Providers to further help with the planning proces of your clients. Offering wedding savings is a great way to assist in the stressful time when all of the money is being streched.

These are special offers only, our websites do not reflect the same prices. When refering your bride to us they only need to mention that they were refered by your company to receive the discounted pricing. You do not have to call for your client for them to receive the discount they can call themselves.

Remember to call your already booked clients to extend additional savings to their wedding day, they will thank you for it and remember the extra mile you went for them.
